

Member Relations Drop In Support Clinics

Drop in Support Clinics now open:

Lakeland Dairies will be hosting a range of drop-in clinics to assist farmers with any queries in relation to their milk supply.

All farmers are encouraged to drop into their nearest clinic between the allocated times below if they have any queries in relation to their milk supply including setting up the MilkedIn App, queries relating to milk quality, Sustainability Incentive Payment, shares, becoming a shareholder, forms related to updating their Milk Account and more.

Your local Milk Advisor will be there to answer any questions.
