

Preparing for a Successful Breeding Season

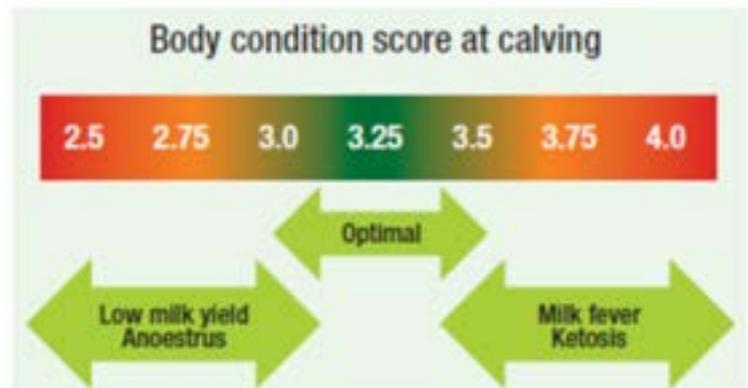

Joint Development Programme

Lakeland Dairies/Teagasc Joint Programme is delighted to offer on-farm breeding workshops on 25th & 27th March.

These events will cover a range of topics as listed below while also offering live demonstrations of Body Condition Scoring. All welcome.

Topics being covered:

- ▶ **Cow's Body Condition Score (BCS)**
– increase submission rates and conception rates with correct BCS.
- ▶ **Cow Selection** – accelerate your herd's genetic gains through cow selection.
- ▶ **Dairy Beef Index (DBI)** – Maximise calf quality with the use of the DBI index.
- ▶ **Sire Selection** – Understanding and selecting for the traits your herd requires.

When:

25th March @ 11.30am

Niall and Anthony Cadden
Gransha, Clones,
Co. Monaghan
Eircode: H23 HF64

27th March @ 11.30am

Derek Ray
Rosemount,
Moate,
Co. Westmeath
Eircode: N37 P2W5
